4. In accordance with the Engagement Agreement and the Addendum, FTI shall be compensated on an hourly basis, subject to a Monthly Cap and a Rollover Provision, and shall receive reimbursement of actual and necessary expenses incurred by FTI and a Completion Fee. All hourly compensation and reimbursement of expenses to be paid to FTI shall be subject to section 330 of the Bankruptcy Code, and the Completion Fee shall be subject to section 328(a) of the Bankruptcy Code.

5. FTI shall file fee applications for interim and final allowance of compensation and reimbursement of expenses pursuant to Bankruptcy Code sections 330 and 331, the Bankruptcy

Rules, the Local Rules, the Amended Guidelines for Fees and Disbursements for Professionals in the Southern District of New York, dated November 25, 2009, the United States Trustee Fee Guidelines and any other orders of the Court.

6. The U.S. Trustee retains all rights to respond or object to FTI's interim and final applications for compensation and reimbursement of expenses on all grounds including, but not limited to, reasonableness pursuant to section 330 of the Bankruptcy Code; provided further, that in the event the U.S. Trustee objects, the Court retains the right to review the interim and final applications pursuant to section 330 of the Bankruptcy Code.

7. None of the fees payable to FTI shall constitute a "bonus" or fee enhancement under applicable law.

8. Prior to any increases in FTI's rates, as set forth in paragraph 5 of the Supplemental Nolan Affidavit, FTI shall file a supplemental affidavit with the Court and provide ten business days' notice to the Debtors, the United States Trustee and any official committee. The supplemental affidavit shall explain the basis for the requested rate increases in accordance with Section 330(a)(3)(F) of the Bankruptcy Code and state whether FTI's client has consented to the rate increase. The United States Trustee retains all rights to object to any rate increase on all grounds including, but not limited to, the reasonableness standard provided for in Section 330 of the Bankruptcy Code, and the Court retains the right to review any rate increase pursuant to Section 330 of the Bankruptcy Code.

9. FTI shall apply any remaining amounts of its prepetition Retainer as a credit toward postpetition fees and expenses, after such postpetition fees and expenses are approved pursuant to the first Order of the Court awarding fees and expenses to FTI. The first interim fee application shall include the pre-petition time records in the amount of \$150,000 that had not been offset against the pre-petition retainer as of the filing date.

10. All of FTI's personnel who provide services to or on behalf of the Debtors, with the exception of clerical staff, shall keep contemporaneous records of the services they have performed in one-half hour increments.

11. FTI shall not be entitled to the reimbursement of attorney fees and legal expenses other than in connection with (a) indemnification, as set forth in paragraph 13 below and (b) this retention application and future fee applications as approved by the court.

12. The following indemnification provisions are approved:

- (a) Subject to the provisions of subparagraph (b), infra, the Debtors are authorized to indemnify, and shall indemnify, FTI in accordance with the Engagement Agreement for any claim arising from, related to or in connection with the services provided for, whether prepetition or postpetition, in the Engagement Agreement;
- (b) Notwithstanding any provisions of the Engagement Agreement to the contrary, the Debtors shall have no obligation to indemnify FTI or provide contribution or reimbursement to FTI for any claim or expense that is either (i) judicially determined to have resulted primarily from the willful misconduct, gross negligence, bad faith or self-dealing of FTI, or (ii) settled prior to a judicial determination as to FTI's willful misconduct, gross negligence, bad faith or self-dealing, but determined by the Court, after notice and a hearing pursuant to subparagraph (c), infra, to be a claim or expense for which FTI should not receive indemnity, contribution or reimbursement under the terms of the Engagement Agreement; and
- (c) If, before the earlier of (i) the entry of an order confirming a Chapter 11 plan in these cases (that order having become a final order no longer subject to appeal), and (ii) the entry of an order closing these Chapter 11 cases, FTI believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution and/or reimbursement obligations under the Engagement Agreement, including without limitation the advancement of defense costs, FTI must file an application therefore in this Court, and the Debtors may not pay any such amounts to FTI before the entry of an order by this Court approving the payment. This subparagraph (c) is intended only to specify the period of time during which the Court shall have jurisdiction over any request for indemnification, contribution or reimbursement by FTI and not a provision limiting the duration of the Debtors' obligation to indemnify FTI.

13. All requests by FTI for the payment of indemnification as set forth in the Engagement Agreement shall be made by means of an application to the Court and shall be

subject to review by the Court to ensure that payment of such indemnity conforms to the terms of the Engagement Agreement and is reasonable under the circumstances of the litigation or settlement in respect of which indemnity is sought.

14. In the event that FTI seeks reimbursement from the Debtors for attorneys' fees and expenses in connection with the payment of an indemnity claim pursuant to the Engagement Agreement, the invoices and supporting time records from such attorneys shall be included in FTI's own applications, both interim and final, and such invoices and time records shall be subject to the United States Trustee's Guidelines for compensation and reimbursement of expenses and the approval of the Bankruptcy Court pursuant to sections 330 and 331 of the Bankruptcy Code without regard to whether such attorneys have been retained under section 327 of the Bankruptcy Code and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code.

15. The Debtors are authorized, empowered and directed to take all actions necessary to implement the relief granted pursuant to this Order.

16. To the extent this Order is inconsistent with the Engagement Agreement, the Addendum, Indemnification Provisions (as modified by this Order), the Application, the Nolan Affidavit or the Supplemental Nolan Affidavit, this Order shall govern.

17. Notwithstanding anything herein to the contrary, this Order shall not modify or affect the terms and provisions of, nor the rights and obligations under, (a) the Board of Governors of the Federal Reserve System Consent Order, dated April 13, 2011, by and among AFI, Ally Bank, ResCap, GMAC Mortgage, LLC, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation, (b) the consent judgment entered April 5, 2012 by the District Court for the District of Columbia, dated February 9, 2012, (c) the Order of Assessment of a Civil Money Penalty Issued Upon Consent Pursuant to the

Federal Deposit Insurance Act, as amended, dated February 10, 2012, and (d) all related agreements with AFI and Ally Bank and their respective subsidiaries and affiliates.

18. This Court shall retain jurisdiction with respect to all matters relating to the interpretation or implementation of this Order.

See Litigation Support Approval and Procedures Order, ¶ 3.

3. Accordingly, by this Declaration, notice is hereby given that the Debtors have requested that FTI provide the additional Litigation Support Services in connection with the Ad Hoc Group Contested Matters, as described and defined below, for which, in accordance with the Litigation Support Approval and Procedures Order, FTI will be entitled to request and receive compensation and expense reimbursement on account of such services in accordance with the Interim Compensation Order. Such compensation and expense reimbursement shall be in

addition to any compensation to which FTI is otherwise entitled for other services, including, without limitation, any otherwise applicable Monthly Caps or Rollover Provisions. Although FTI commenced providing the services described herein prior to July 1, 2013, the engagement for such services will be *nunc pro tunc* to July 1, 2013.

4. The Debtors have requested that FTI provide Litigation Support Services in connection with certain contested matters and other litigation involving, among others, certain creditors who have identified themselves as the Ad Hoc Group of Junior Secured Noteholders (the “Ad Hoc Group”). By complaint filed on May 3, 2013, Docket No. 1 in Adversary Case No. 13-01343-mg, the Debtors commenced an adversary proceeding (the “JSN Adversary Proceeding”) against, among others, UMB Bank, N.A. (“UMB”) in its capacity as indenture trustee for the 9.625% Junior Secured Guaranteed Notes due 2015 issued by the Debtor Residential Capital, LLC (the “Junior Secured Notes”); Wells Fargo Bank, N.A. in its capacity as third priority collateral agent and collateral agent for the Junior Secured Notes, and the Ad Hoc Group. In addition, the Debtors have requested that FTI provide Litigation Support Services in connection with the Ad Hoc Group’s stated intention that, if its demands are not met, “the Ad Hoc Group will, among other things, oppose confirmation of the Plan”³ (the “Ad Hoc Group Confirmation Objections” and collectively with the JSN Adversary Proceeding, the “Ad Hoc Group Contested Matters”).⁴ It is FTI’s understanding that, in addition to engaging Houlihan

4 By complaint filed on February 28, 2013, Docket No. 1 in Adversary Case No. 13-01277-mg, the Official Committee of Unsecured Creditors in these cases commenced an adversary proceeding against, among others, UMB in its capacity as indenture trustee for the Junior Secured Notes, seeking declaratory and other relief with respect to the Junior Secured Notes and the collateral alleged to have been pledged therefore (the “Committee JSN Adversary Proceeding”). In addition, the Ad Hoc Group filed a “Motion of Ad Hoc Group of Junior Secured Noteholders For Order In Aid of Mediation and Settlement,” dated July 18, 2013, Docket No. 4286 (the “Ad Hoc Group Mediation”).

The nature of the services to be provided by FTI on behalf of the Debtors in connection with the Ad Hoc Group Contested Matters include assisting the Debtors with all aspects of discovery, including in terms of working with the Debtors to retrieve and organize documents and other information responsive to broad and extensive discovery requests. In addition to serving as the conduit for the production of these documents and other information, FTI has been organizing and categorizing the documents as well as tracking the status of the fulfillment of the requests to ensure timely production. FTI has also been asked to respond to broad and comprehensive discovery requests regarding FTI work product which will require, among other tasks, engaging e-discovery services to facilitate the search of the e-mails of multiple custodians for over 85 search terms which will result in the production of a very large volume of e-mails. These e-mails will have to be individually reviewed by an FTI professional in accordance with instructions from counsel for the Debtors. In addition, the Ad Hoc Group may seek to depose FTI personnel. FTI may also be called upon to provide expert consulting or testimony services, to address other requests as may be made by the Debtors, and to address issues and matters raised by both Houlihan Lokey and Zolfo Cooper as well as other advisors retained on behalf of the Ad Hoc Group, in each instance, specific to the Ad Hoc Group Contested Matters.

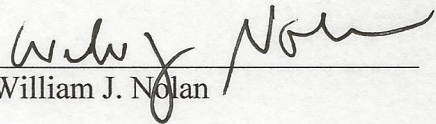

6. For the avoidance of doubt, the Litigation Support Services hereunder for which FTI will be entitled to compensation in addition to any otherwise applicable Monthly Caps or

Motion"). To the extent FTI is called upon to provide services in connection with the Committee JSN Adversary Proceeding and/or the Ad Hoc Group Mediation Motion, or any mediation in connection therewith, such services will be included as part of the Ad Hoc Group Contested Matters.

Rollover Provisions, shall not include services that would have been provided by FTI under terms of its otherwise applicable retention in the absence of the Ad Hoc Group Contested Matters.

I declare under penalty of perjury that the foregoing is true and correct.
